Declare that I absolve the AUTOMOBILE CLUB DE L'OUEST, its partners and any person linked with the A.C.O. from all responsibility in the event of an accident occurring during an event I am taking part in, or during any manoeuvre I carry out on the Le Mans circuits today.

In compliance with the regulations in force, I declare that I have been informed of the provisions of article L.321-4 of the sporting code, referred to hereinafter, regarding "individual accident insurance" and the benefit of such a cover, and that I have taken all necessary provisions with regards to the compulsory insurance cover required, in particular with regards to TPL (Third Party Liability).

Article L.321-4 of the sporting code: "Sports associations and federations are required to inform their members that it is in their interest to take out a personal insurance policy which covers all physical injuries to which the practice of their sport might expose them."

Furthermore, I declare that I have been informed of the rules concerning track use, and that I agree to abide by them.

The wearing of a helmet (cars, trucks and bikes) and of a seatbelt (cars and trucks) is compulsory.

The track sessions may be stopped at any moment by a representative of the AUTOMOBILE CLUB DE L'OUEST if it is deemed that safety conditions are not met, and this for any reason whatsoever.

I declare that I relinquish any claim to payment for any photograph on which I may appear when using the circuit. I authorise the AUTOMOBILE CLUB DE L'OUEST to use any photograph(s) and film taken during this day, and agree not to take any legal action against the AUTOMOBILE CLUB DE L'OUEST should such photograph(s) or film be used for publicity and promotional purposes.

Lastly, I undertake to abide by the sporting rules and in particular those rules regarding the environment.
