## Motor sport liability insurance

---

### Insured amounts

The following insured amounts form the maximum compensation of the insurer:

EUR 10.000.000,00 EUR personal injury per loss event, for damage to property and for financial losses

---

### The insurance cover encompasses the statutory liability

of the event organiser (VN)

the stewards, sports officials and other persons that are commissioned by the organiser to organise and carry out the event, and namely for the liability arising from their responsibility in this capacity (insured person)

of crew members

of participants (insured persons: drivers, passengers, vehicle holders and owners)

The risks marked with a  are included

---

### Special agreements

The Federation, Federal States, municipalities and municipality associations shall be released from any claims for compensation on the occasion of the event that are asserted by participants or third parties on the basis of statutory liability provisions.

Liability claims of participants amongst themselves and against the organiser are only included in the insurance if all the participants have signed an effective exclusion of liability (e.g. in accordance with the SRC recommendation).
